Location: Lama trekking, Höri

Today we will visit the Lama Hof Meier in Höri. You can experience the llamas up close, go out to the pasture, feed them, stroke them and take a walk with them up the Höriberg. You will learn a lot about the species, husbandry and care of these animals from South America. At lunchtime we grill a sausage on the Höriberg and have plenty of time to play.

**Tuesday, August 16, 2022**

Location: Goldpanning, Tösstal

What a unique adventure in the great outdoors! We will go in search of real gold and travel to Steg in the Tösstal valley. There we put on our rubber boots and off we go in search of the glitter of gold between the sand and gravel in the stream. At the campfire we roast our sausages and listen to great adventure stories of gold diggers. At the end, we can take our found treasures home with us...YEAH!

**Wednesday, August 17, 2022**

Location: Milandia, Greifensee

The Milandia Adventure Park offers the perfect combination of sport and play. In the morning we try our hand at bouldering, where we climb up the colourful climbing walls and land safely back on the ground. In addition to the climbing courses, there are other fun games of skill. Afterwards, we go outside for mini golf or table tennis. We spend the afternoon in the natural pool playing water games, building sandcastles and enjoying a delicious ice cream!

**Wednesday, August 17, 2022**

Location: Connyland, Lipperswil

Lots of fun awaits us at Connyland with its large park of indoor and outdoor attractions. We enjoy the water playground, the children's carousel and the car scooters as well as the wild water ride, Voodoo Island, the 5D flight simulator and the Mammoth Tree. There are also great live shows with the parrots and sea lions as well as many indoor highlights with the Jungle Adventure or a journey back to the time of the dinosaurs in the Dino-Attack.

**Thursday, August 18, 2022**

Location: Atzmännig, Goldingen

The Atzmännig always offers plenty of action: we visit the rope park with eight courses at different heights and with different levels of difficulty (minimum age: 8 years). The 5-7 year olds can also test and practise their skills on two special children's courses. At lunchtime, a cosy spaghetti lunch awaits us in the restaurant. In the afternoon, we take the chairlift to the start of the toboggan run, where we whizz down into the valley over curves and tunnels. There are also trampolines, a giant swing and much more!

Location: Treasure hunt with metal detectors

Explorers' hearts beat faster today as we set off on a treasure hunt in nature with metal detectors, shovels and pointers. We roam through woods and meadows looking for historical coins, belt buckles, rings, gold vrenelis and many other treasures. For refreshment, we will roast a sausage on the campfire and marvel at the treasures we have found. It will be an unforgettable adventure!
