Location: Bakery Mühlerama

In the bakery of the Mühlerama we are really creative today! In the morning we prepare different doughs and cut out our favorite cookies with colorful shapes. Afterwards we put the cookies in the oven and wait for the fine cookie scent! After a pleasant lunch and a short walk we return to the bakery where we decorate a cookie tin with colorful ribbons, little stones and glittering motifs. Here we can let our fantasy run free. The homemade cookies are carefully placed in the cookie tin and proudly presented at home in the evening.

Location: Lindt Home of Chocolate & Flip Lab

Today we visit the new chocolate world of Lindt Home of Chocolate! As a prelude, we will be amazed by the spectacular chocolate fountain. Here, no less than 1500 kg of chocolate flow down from a height of 9 meters. On our chocolate tour we will experience the world of chocolate with all our senses: from its creation and cultural significance to chocolate tasting à discrétion....mmh! In the afternoon, we'll take you to the Flip Lab full of action, where you can really let off steam on the various fun courses: Trampolines, air bags, basketball trampoline, ninja course and much more!

Location: Dolder artificial ice rink & Zurich Zoo

Today we will try our hand at skating on the Dolder artificial ice rink and make our rounds around the beautifully decorated Christmas tree. If the weather is bad, we will go to the artificial ice rink in Wetzikon. Every child can bring their own skates or we can rent them. After a delicious lunch we go to the Zurich Zoo in the afternoon. We visit the Masoala rainforest, the elephant park, the penguin indoor aquarium with 8 underwater worlds and of course the new largest facility of the Zurich Zoo: the Lewa Savannah. There we can admire the giraffes, rhinos and zebras as well as the mysterious baobab food trees, the so-called baobab trees. Also the information about the protection of the animals and what we ourselves can contribute to their protection is impressive.
