Location: Lindt Home of Chocolate & Indoor Mini Golf

Today we will visit the chocolate world of Lindt Home of Chocolate! As a prelude, we will be amazed by the spectacular chocolate fountain. Here, no less than 1500 kg of chocolate flow from a height of 9 meters into the depths. On our chocolate tour we will experience the world of chocolate with all our senses: from its creation to chocolate tasting à discrétion....mmh!

In the afternoon we will enjoy a fun game of indoor mini golf.

Location: Bouldering Milandia & Kulturama

The Milandia Adventure Park offers the perfect combination of sport and play. We try our hand at bouldering, where we climb up the colourful climbing walls and land safely back on the ground.

In addition to the climbing courses, there are other fun games of skill. We spend the afternoon in the Kulturama, where we discover the anatomy and function of the human being through touch, hearing and smelling on an adventure trail.

Location: Piratolino & Crime Trail Zurich

A great indoor playground awaits us at Piratolino in Winterthur. Various attractions such as a climbing labyrinth, trampolines, slides, a climbing volcano and a mini go-kart track guarantee a lot of fun. In the afternoon, we head to a crime trail in the city of Zurich, where we solve a theft at the National Museum. The crime file gives us lots of clues so that we can solve the various inconsistencies and execute the arrest warrant...reward guaranteed!

Location: Adventure Arena & National Museum

Today, action & fun is the order of the day! In the game worlds of the Adventure Arena in Dübendorf, we dive into different adventure rooms in small groups and can experience unique adventure missions and solve their puzzles with skill and teamwork. The tasks in the individual Adventure Rooms can be chosen freely or solved several times. In the afternoon we will explore the National Museum with a discovery kit.

Location: Environment Arena & Bowling

The "Environment Arena" in Spreitenbach awaits us with 45 interactive exhibitions on four floors. Here we learn why a sustainable use of the earth's resources is so important and how young and old can contribute to it. We can see our ecological footprint on the globe and try our hand at soccer penalties on a recyclable grass carpet. The kids' course with special scooters and go-karts is sure to be fun, too. In the afternoon we will try to hit as many pins as possible on the bowling alley at Bowling West.
