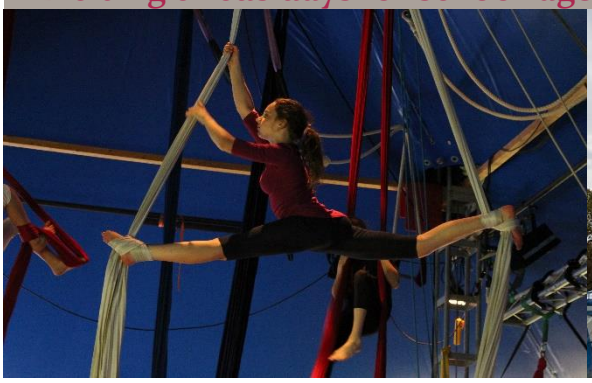
Welcome to the Circus!
April 22 - 26, 2024

Exciting circus days for school-age children and kindergartners!



Professional entertainers look after the children (aged 5 - 13) from 8.00 – 6.00 pm and support the circus trainers at Filacro Circus in Nänikon. The children can try out various circus disciplines: Floor acrobatics, trapeze exercises, trampolining, juggling and much more! A hot lunch is served daily for refreshment and delicious snacks await in the circus kitchen trolley. At the end of the week, the children can present the skills they have learnt in a performance!

The circus days take place from Monday to Friday and must be booked every five days. The children can be brought directly to the Filacro Circus or to our meeting points in Zurich, Bubikon, Zug or Lucerne.
