

Let's Dance in Summer time!

July 13 - 17, 2026

Dance week for children 6-12 years!

With Federica and Valerio Porleri (Movement Education Project)!

Children (aged 6–12) are supervised from 8 am to 6 pm and enjoy a varied and creative week of dance. In a relaxed and cheerful atmosphere, the children will discover their joy of movement and music. The children can expect varied dance lessons with professional trainers, creative choreography, their own improvisation, and a mix of different dance styles.

There will also be creative movement games and fun on the playground. On Friday afternoon, we look forward to a performance by the children with great dance moments!

A hot lunch will be served each day, and there will be tasty snacks in the morning and afternoon to keep everyone's energy up.

The dance week takes place from Monday to Friday at the MEP Dance Studio in Küsnacht and must be booked for all five days. Children can be brought directly to the dance school or to our pick-up points in Zurich, Bubikon, Zug, and Lucerne.
