Location: Detective Trail at Baden & Kulturama

Watch out! Today we're off to Baden, where we'll start with Detective Dachs and the first puzzle of the Detective Trail. As a reward, we can look forward to instant prizes! We'll spend the afternoon at the Kulturama in Zurich.

Location: Nordic Camp & Farm Bächlihof

The sled dogs at Fischer Adventures' Nordic Camp are waiting for us again! A musher tells us lots of interesting facts about caring for and keeping Alaskan Malamutes and Siberian Huskies, as well as about working with sled dogs. Equipped with a special hip belt, we go for a walk with these fascinating animals. After a delicious lunch, we head to the Bächlihof adventure farm in the afternoon. We enjoy the natural playground, the goat park and a homemade snack from the farm.

Children with bee sting allergies can take part in this excursion; they will be given protective suits during the tour of the apiary. And we will spend an action-packed afternoon at the Paradisimo indoor playground with its climbing maze, bouncy castle, slides, trampolines and much more!

Location: Käpfnach Mine, Horgen

In the morning, we visit the Käpfnach mine in Horgen, where we first watch a film in the mining museum with a mine guide and then explore the 1.4 km long network of tunnels with the mine train. We have to listen carefully to the train driver's whistle and sometimes duck our heads. Here, you can really imagine how hard the work was for the miners in the tunnels. Soon we will be back in the daylight and can look forward to a large adventure playground... yeah!
