Location: Adventure playground & Magic school with Umberto

We spend the morning in the fresh air on an adventure playground, where we can let off steam in the sand, on various slides, swings and climbing facilities as well as with water games. In the afternoon, you will have the unique opportunity to practise magic tricks with professional magician UMBERTO and you will receive four professional magic props to take home with you after the course. We will perform magic with sneakers, a queen, a cantonal coat of arms and a colored cube. Of course, magician UMBERTO will present us with a real magic show at the end!

Gold panning in Tösstal

What a unique adventure in the great outdoors! We are going in search of real gold and travel to Steg in Tösstal. There we put on our rubber boots and off we go in search of the glitter of gold between sand and gravel in the stream. At the campfire we roast our sausages and hear great adventure stories from gold diggers. At the end we can take our found treasures home with us...YEAH!

Location: Cow riding at Bolderhof

Today we can look forward to an exciting day on the farm. After our tour of the cowshed and chicken coop at Bolderhof, we can experience the farm's meadows and fields on a leisurely cow ride. Afterwards, we will try our hand at milking cows. Every point counts in the carrot game, where we have to throw boots, hop in sacks and try out a dice game. There's also plenty of time for free play: a large outdoor playground, an indoor straw playground, go-karts, a trampoline and lots of exciting animals await!
