Location: Flying at Windwerk, Winterthur

In the wind tunnel, we can experience the indescribable feeling of flying! Dressed in superhero suits, we learn to fly in a playful way under expert guidance, so that we can soar through the air on two fascinating flights. Helmets, goggles, ear protectors and instructors ensure that we land safely and that this dream of flying will definitely remain unforgettable! After this experience, we head to the big playground in the city park in Winterthur in the afternoon.

Location: Atzmännig, Goldingen

The Atzmännig always offers lots of action: we visit the rope park with eight courses at different heights and with different levels of difficulty (minimum age: 8 years). The 5-7 year olds can also test and practise their skills on two special children's courses. At lunchtime, a cosy spaghetti lunch awaits us in the restaurant. In the afternoon, we take the chairlift to the start of the toboggan run, where we whizz down into the valley over curves and tunnels. There are also trampolines, a giant swing and much more!

Location: Milandia, Greifensee

The Milandia Adventure Park offers the perfect combination of sport and play. In the morning, we try our hand at bouldering, where we climb up the colourful climbing walls and land safely back on the ground. In addition to the climbing courses, there are other fun games of skill. After a delicious lunch we spend the afternoon in the natural pool playing water games, building sandcastles and enjoying a delicious ice cream.

Explorers' hearts beat faster today as we set off on a treasure hunt in nature with metal detectors, shovels and pointers.
