Location: Connyland, Lipperswil

Lots of fun awaits us at Connyland with its large park of indoor and outdoor attractions. We enjoy the water playground, the children's carousel and the car scooters as well as the white water ride, Voodoo Island, the 5D flight simulator and the mammoth tree. There are also great live shows with the parrots and sea lions as well as lots of indoor highlights with the Jungle Adventure or a journey back to the time of the dinosaurs in the Dino-Attack and the "Crazy Professor" ride.

Tuesday, July 21, 2026

Location: Rolling Rock, Aarau

Action is on the agenda today! We can really let off steam at the Rolling Rock Skate & Sport Centre's large indoor and outdoor skate facility. We'll rent a skateboard, freestyle scooter rollerblades or a BMX and try our hand at the various courses. No previous experience is necessary, everyone can choose their own rides on the facility. In addition, bouldering, trampolines, table tennis or floorball are waiting for us.....Pure action!

Wednesday, July 22, 2026

Location: Flip Lab & Boat trip

Action is the order of the day at the Flip Lab this morning with various fun courses! We have fun on the trampolines, air bags, basketball trampolines and ninja course and can let off steam. After so much exercise, fun and games, we set off on a leisurely boat trip on Lake Zurich after lunch. A puzzle game and a delicious snack await us there.

Location: Gold panning in Tösstal

What a unique adventure in the great outdoors! We are going in search of real gold and travel to Steg in Tösstal. There we put on our rubber boots and off we go in search of the glitter of gold between sand and gravel in the stream. At the campfire we roast our sausages and hear great adventure stories from gold diggers. At the end we can take our found treasures home with us...YEAH!

Friday, July 24, 2026

Location: Environment Arena & Bowling

The Umwelt Arena in Spreitenbach awaits us with 45 interactive exhibitions on four floors. We learn why it is so important to use the earth's resources sustainably and how young and old can contribute to this. We can see our ecological footprint on the globe and try our hand at football penalty shoot-outs on a recyclable grass carpet. The children's course with special scooters and go-karts is also sure to be fun. Afterwards, we'll try to hit as many pins as possible on the bowling alley at Bowling West.
