Monday, October 5, 2026

Location: Lucerne Transport Museum

We'll spend an exciting day at the Swiss Museum of Transport in Lucerne, where we'll explore the many exhibits on ships, trains, and airplanes in small groups. With various simulators, themed displays, and original artifacts, we'll immerse ourselves in the fascinating history of transportation by water, land, air, and space. In the afternoon, we can look forward to a journey to the stars at the planetarium. Of course, there's plenty of time to play in the large playground arena with the traffic garden and the bike course.

Tuesday, October 6, 2026

Location: Toy Worlds Museum Basel & Mini-Golf

In the morning, we'll visit the fascinating Spielzeug Welten Museum Basel and enjoy an exciting animated guided tour through its unique collection of teddy bears, dolls, carousels, and imaginative games. The children will playfully immerse themselves in various themed worlds and use an iPad to discover virtual characters with interactive surprises. This brings the stories behind this one-of-a-kind collection to life and allows them to be explored in a whole new way. After a delicious lunch, we'll head to the Park im Grünen for a round of mini-golf in the afternoon.

Wednesday, October 7, 2026

Location: Botanical Garden & Kiddy Park Basel

On a guided tour of the Basel Botanical Garden, we can look forward to a real "sensory safari." We'll use all our senses to discover the exciting and mysterious features of the plant world. Not only will we be able to look at, smell, and touch the plants, but we'll also discover the phenomenon of "hearing" plants. After this excursion, we'll head to Kiddy Park, where we can really let loose on the climbing frames, obstacle courses, ball pits, and slides... yeah!

Thursday, October 8, 2026

Location: Lindt home of chocolate, Kilchberg

Today we're heading to Kilchberg on Lake Zurich to visit Lindt's Home of Chocolate! Right off the bat, the spectacular chocolate fountain will leave us in awe. Here, no less than 1,500 kg of chocolate cascades 9 meters down into the depths. On our chocolate tour, we'll experience the world of chocolate with all our senses: from its creation to unlimited chocolate tasting... mmm! In the afternoon, if the weather is nice, we can look forward to a large adventure playground on Lake Zurich. If the weather is bad, we'll head to the family exhibition at the Zurich National Museum.

Friday, October 9, 2026

Location: Jump Factory Basel & Bowling

The day kicks off with plenty of energy at the Jump Factory, where we can look forward to the action zones featuring a wide variety of trampolines. Unique jumping areas and cool obstacles await us, along with a speed slide and a colorful climbing wall. That promises plenty of exercise and fun! In the afternoon, we'll try our hand at bowling with colorful balls on kid-friendly lanes.
