Location: Skillspark, Winterthur

A day full of action awaits us at Skillspark in Winterthur! In the huge multisport hall, every child — whether a beginner or an experienced rider — can jump around and try out the different parks: the skate park, big-air park, trampoline park, and pump track guarantee plenty of fun.

Skateboards, scooters, and Like-A-Bikes are also available. If you'd like, you can also bring your own ride and use it to try out new tricks. To relax, there are various rest areas and an indoor playground. And at lunchtime, you can look forward to a delicious meal.

Location: Zurich Zoo

Join us today for a wildly exciting trip to the Zurich Zoo! We'll visit the Masoala Rainforest, the Elephant Park, the indoor penguin exhibit at the Aquarium with its 8 underwater worlds, and, of course, the Lewa Savanna. There, in addition to the rhinos and zebras, we'll also get to marvel at the mysterious baobab feeding trees. A highlight will be feeding the giraffes — they'll be plucking the leaves right off the branches with quite a bit of energy. At the new Nature Conservation Center, we can experience Zurich Zoo's current conservation projects in Kenya, Antarctica, and Thailand up close in the 360° cinema. Get ready for all these special encounters with the animals!

Location: Dolder Artificial Ice Rink & Cinema

This is going to be a real winter outing! Today we'll try our hand at ice skating at the Dolder artificial ice rink and skate around the big, festively decorated Christmas tree — with or without the help of a polar bear. Beginners can also enjoy the ice while sitting on a "Rutscherli" (a chair with skates). If the weather is bad, we'll head to the indoor ice rink in Wetzikon. Each child can bring their own skates, or we can rent them. After a delicious lunch, we'll settle in at the movie theater and watch a cool Christmas movie — popcorn included.
