Monday, February 8, 2027

Location: Zurich Zoo
Join us today for a fun-filled trip to the Zurich Zoo! We'll visit the Masoala Rainforest, the Elephant Park, the indoor penguin exhibit at the Aquarium with its 8 underwater worlds, and, of course, the Lewa Savanna. There, in addition to the rhinos and zebras, we can marvel at the mysterious baobab trees. A highlight will be feeding the giraffes—they'll be plucking the leaves right off the branches with quite a bit of vigor. At the new Nature Conservation Center, we can experience Zurich Zoo's current conservation projects in Kenya, Antarctica, and Thailand up close in the 360° cinema. Look forward to all these special encounters with the animals!

Tuesday, February 9, 2027

Location: Lucerne Transport Museum
We spend an exciting day at the Swiss Museum of Transport in Lucerne, where we get to explore the numerous exhibits on ships, trains, and airplanes in small groups. With the various simulators, themed exhibits, and original artifacts, we'll immerse ourselves in the fascinating history of transportation by water, land, air, and space. At the Swiss Chocolate Adventure, we'll learn all about the discovery, production, and transportation of chocolate. Of course, there'll be plenty of time to play in the large playground arena.

Wednesday, February 10, 2027

Location: Overground Basel & Indoor Mini-golf
We're kicking things off today with lots of movement and action at Overground Basel, where an exciting Nina Warrior obstacle course, trampolines, and cool challenges await us. We'll jump, climb, balance, and test our agility. In the afternoon, we'll have fun in the glowing world of the black-light mini-golf course at the Erlebniscenter Basel….YEAH!

Thursday, February 11, 2027

Location: ELYS Boulderloft & Natural History Museum
In the morning, we will try our hand at bouldering at ELYS Boulderloft, where we'll climb the colorful, jump-height walls without ropes or harnesses and land safely back on the ground on thick mats. No prior experience is necessary, and experienced climbers can look forward to some tricky climbing challenges. After all that exercise and a delicious lunch, we'll head to the Natural History Museum in Basel, where we'll immerse ourselves in the fascinating world of prehistory, dinosaurs, and mammoths.

Friday, February 12, 2027

Location: Toy Worlds Museum Basel & Mini-Golf
In the morning, we'll visit the fascinating Toy Worlds Museum Basel and enjoy an exciting, animated guided tour through its unique collection of teddy bears, dolls, carousels, and imaginative games. The children will playfully immerse themselves in various themed worlds and use an iPad to discover virtual characters with interactive surprises. This brings the stories behind this one-of-a-kind collection to life and allows them to be explored in a whole new way. After lunch, we'll head to Stücki Park in the afternoon for some bowling.
